

FE-PROSPECT-PARK-3P

Prospect Park 3 Light Island Chandelier - Satin Nickel with Chrome

The Prospect Park takes a traditional profile and modernises it with updated design elements to create a period uptown vibe. Sleek Satin Nickel arms are accented with crisp Chrome components, and bands of Chrome feature at the top and bottom of each cylindrical Opal Etched glass shade. Clear pressed crystal on each stem elevates the tailored look with a bit of glamour.
