**PRODUCT DETAILS**

With a 52-inch (132cm) blade span, the Aviateur offers 4044 CFM airflow. The propeller inspired three-blade design creates a clean, sophisticated look and blades are made of ABS. The 16W integrated LED light source is dimmable and provides 1456-1600 lumens of output. It has correlated colour temperature (CCT) options of 2700, 3000 or 4000K. Provided with a light cover if the LED is not desired. The body has a natural brass finish and blades have a painted walnut finish. Supplied with a
