

KICHLER | RIVEN

The Riven linear pendant strikes the perfect balance between simplicity and sophistication and is inspired by a vintage map bag. The clear fluted glass surrounds a white acrylic interior, softening the integrated 43.5W LED light source which gives off an impressive 3050Lm. Supplied with different size rods this energy-efficient light is as versatile as it is refined with its Champagne Bronze finish. Dimmable when used with a dimmer switch. Available: July. COMING SOON
