

GENERATION LIGHTING (FEISS) | HODGES

With a soft, updated approach to the Prairie design style, the Hodges outdoor collection has a simple yet refined farmhouse look. Great craftsmanship and technique is applied to bend the metal roofline and to create the loop at the crown. An Ash Black finish combined with Clear Seeded glass panels provides a warm welcome. Constructed of a weather resistant composite material for added strength, durability and longevity, the collection offers a 5-year warranty.
