Rubin 10 Light Island Chandelier - Polished Nickel

RETIRING COLLECTION MODEL - CHECK STOCK AVAILABILITY. The clear, faceted glass shades of the LED Rubin lighting collection serve as the central design element and add a romantic elegance and sparkle to these contemporary fixtures. A clean, sleek look is achieved with round and rectangular chandeliers which will be perfect in a foyer, living or dining room. Or a more playful, fanciful statement can be made by clustering pendants together to create a look that's reminiscent of a floral bouquet.
