

**KLF-IMARI-65-SBK**

Imari - 65in / 165cm Fan - Satin Black

With a 65-inch blade span, Imari offers airflow to fit the occasion. The propeller inspired single-mold three-blade design creates a clean, sophisticated look. The LED light source provides 1,500 lumens of output – about the equivalent of two 100-watt incandescent light bulbs – for a substantial amount of room-filling ambient light.
