

**EUROPA-P-C**

Europa 1 Light Large LED Pendant - White Painted

RETIRING COLLECTION MODEL - CHECK STOCK AVAILABILITY.

Earning the namesake of Jupiter's smallest Galilean moon, the white painted domes of the Europa range all feature integral LEDs hidden in the bottom of the metal shades. Their light bounces off the surface inside to throw out a bright and effective glow. All are height adjustable and feature a textile cord cable, matching the colour of the adjustable steel wires.
