

KL-ABERDEEN-3P-OZ

Aberdeen 3 Light Island Chandelier

Metal finishes combine with free-flowing glass to give the Aberdeen 3 light chandelier an artisan feel. Layers of rich metal form the foundation, from Olde Bronze to Distressed Grey to a touch of Rust. Thick, Piastra glass surrounds the light, creating the impression of water ripples in nature. The effect is one that's stunning when the fixture is on or off.
