PRODUCT DETAILS

This unusual Tiffany style, portable table lamp is made of the finest creamy white art glass. The outstretched branch design on the shade is accented with genuine Agate stones. Each stone is hand selected for quality and size cut in half placed in a tumbler for 72 hours to make smooth and round and is then hand polished to a deep sheen. The branch motif is cleverly echoed in the base. Products that use natural materials are perfect for those seeking the aesthetics of natural variations. Due to its authenticity, the material may vary from pictured items. Glass colour in Tiffany lighting products vary in color. No two pieces are identical.
