

ELSTEAD LIGHTING | FALMOUTH

The LED Falmouth collection by Elstead Lighting uses a charming heart shaped frame, and will add a romantic flair to bathroom and bedroom alike. The wall light is illuminated by a fitted LED, emphasising the beautifully curved metalwork. The Semi-Flush has a full white acrylic diffuser for excellent illumination without any visible glare from the lamp-holders. The Polished Chrome version comes with a black shade and the French Gold plated version comes with a cream shade with a white diffuser.
