

ELSTEAD LIGHTING | DECO LANE

With an almost regal quality, the traditional Deco Lane half wall lantern is sure to suit many classic style buildings. Cast in solid aluminium with a mirrored backplate for maximum light output, this lantern is offered in a unique array of finishes. Choose from traditional Black or Bronze, or create a striking contrast against dark walls with the Cream finish, or boldly stand out with the brightly coloured Green and Red finishes. This robust lantern is built to last with Clear Polycarbonate panels. Made in England.
