

KICHLER | RIVEN

The Riven mini pendant strikes the perfect balance between simplicity and sophistication. The clear fluted glass surrounds a white acrylic interior, softening the integrated 14.5W LED light source which gives 835Lm. Supplied with different size rods this energy-efficient light is as versatile as it is refined, with its Champagne Bronze finish. Dimmable when used with a dimmer switch.

BRAND	Kichler
GUARANTEE	General 2 Year Guarantee
